THE CHINESE MAIL.

THIS paper is now issued every day. The subscription is fixed at Four Dollars per annum delivered in Hongkong, or Ten Dollars Forty Cents including postage to Coast ports.

It is the first Chinese Newspaper ever issued under purely native direction. The chief support of the paper is of course derived from the native community, amongst whom also are to be found the guardians and accessories necessary to place it on a business and legal footing.

The projectors, basing their estimates upon the most reliable information from the various Ports in China and Japan—

from Australia, California, Singapore, Penang, Saigon, and other places frequented by the Chinese—consider themselves justified in guaranteeing a large and ever-increasing circulation. The advantages offered to advertisers are therefore unusually great, and the foreign community generally will find it to their interest to avail themselves of them.

The field open to a paper of this description—conducted by native efforts, but progressive and anti-obstructive in tone—is almost limitless. It is on the one hand commends Chinese belief and interest, while on the other it deserves every aid that can be given to it by foreigners.

Like English journals it contains Editorials, with Local, Shipping, and Commercial News and Advertisements.

Subscription orders for the above may be sent to

The Overland China Mail.

A WEEKLY JOURNAL FOR THE HOME MAIL, PUBLISHED to suit the Departure of each ENGLISH and FRENCH MAIL Steamer for Europe. Formerly the Overland issue was published fortnightly; but as it was deemed of special importance that a weekly bulletin of news should be prepared, it was decided to issue it weekly.

Subscribers at Home, and those at the Coast Ports and in the interior, who find the Overland edition a convenient form of newspaper for their perusal, will welcome the change. The *Overland China Mail*, now a weekly compendium of news from the Far East, contains special Commercial intelligence, special tables of Shipping, and other information. The various Reports of Courts and Meetings, and all other news, are given in full as they appear in the Daily issue.

The attention of Advertisers is directed to a weekly newspaper, which is circulated among old China hands and others, both at home and in the Far East, who do not take the daily journals.

The *Overland China Mail* will be regularly posted from the China Mail Office to subscribers, on their addresses being forwarded to us.
